Exit sign Self-contained
Universal, Without monitoring, 3 h, 22 m, IP40, Aluminium,
White

Multi-functional aluminium emergency exit sign luminaire for universal mounting. As a result of the clever structure, the recesses for cable entry and fastening are integrated, both for ceiling and wall mounting. Visually appealing side parts cover the lock mechanism so that the luminaire conveys a harmonious and fully closed impression.

Planning certainty is provided by tool-free, variable use of the pictograms on site. A set of pictograms corresponding to DIN ISO 7010 (arrow to the right, left, up and down) is supplied as standard.
