Art.-Nr: 2PSW-EB

Pre-assembled pendant set for escape sign luminaires Integrated wiring and canopy for clean, standard-compliant ceiling installation.

Exit sign luminaires should be mounted in a way that is easy to read and within the viewer's field of vision. Pendants offer a simple and clean solution to make this easier. The pendants are fixed to the light and have eyelets on the other side. The cables are already wired in one of the pendant tubes to make the connection easier. The connection and the fastening to the ceiling are concealed by an unobtrusive canopy.
