Exit sign Centralised power supply systems

**Wall-mounted flag, CoreCompact 24 (CC), CPS, 30 m, IP40,
Zinc die-cast, white**

Modern zinc die-cast emergency exit sign luminaire for recessed mounting in the wall. Thanks to the wall bracket, the escape and emergency routes are identified at right angles to the wall. This can be done on either one or two sides.

It is part of the A series luminaire family, which provides solutions for any mounting and has won the German Design Award for its uniform, straight-line design.

Control and monitoring via central 24 V low-power system. Planning certainty is provided by tool-free, variable use of the pictograms on site. A set of pictograms corresponding to DIN ISO 7010 (arrow to the right, left, up and down) is supplied as standard.
