Exit sign Centralised power supply systems

Recessed wall mounting, Central power supply (ML), CPS, 20 m, IP20, Polycarbonate, Light grey

Design luminaire for all purposes where elegance plays an important role. It uses as a light source a full-area organic LED or OLED. Thus a 100% homogeneous illumination of the pictogram is achieved.

The housing surface is aluminized in a process as it is already used in the automotive industry. The variable use and toolless change of pictograms provide planning security on site. LED escape route luminaire in accordance with DIN EN 60598-1, EN 60598-2-22, EN 7010 and DIN EN 1838.

Control and monitoring via central power supply system.
