

Art.-Nr: YMOBM-RA-HBWD-IP
CASAMBI® passive infra-red sensor

CASAMBI® motion detectors consist of integrated CASAMBI® technology and make it possible to control luminaires without wiring work. Use the CASAMBI® app to configure parameters such as brightness and automatically switching on and off at dusk or in the event of movement. This can result in savings of up to 90%. The sensors are available in various designs for ceiling mounting or recessed installation and with various detection zones from 5 to 28 m.

- Passive infra-red sensor for surface mounting on the ceiling
- Detection zone: up to 28m
- Colour: white
- IP66
