

Art.-Nr: YMOCA-WWSB-LR CASAMBI Xpress long range black

The CASAMBI® XPRESS is not just a wireless wall switch, but also a remote control. The XPRESS brings considerable flexibility to interior design as furniture can be moved freely or walls rebuilt without you having to consider the wiring for wall switches or where this is located.

The switch can be fitted in any location and enables direct access to all key functions of the CASAMBI® lighting control. With the additional "long-range" feature, you now benefit from an extended control range, providing even more convenience.

TECHNICAL DATA

Dimensions	
Product dimensions Length	90 mm
Product dimensions Width	90 mm
Product dimensions Height	12 mm
Color	
Color	Black
Housing material	
Housing material	Polycarbonate
Certification	
Protection type (IP)	IP20
Storage temperature range	
Storage temperature range (Min)	-25 °C
Storage temperature range (Max)	+70 °C
Temperatures	
Ambient temperature (Min)	0 °C
Ambient temperature (Max)	+40 °C
CASAMBI Products	
Communication type	CASAMBI

Frequency band	2,403 - 2,479 GHz
CASAMBI Repeater	No
Battery technology	Li-ion
Certifications	CE, RoHS
Mounting	
Mounting	Universal

As of: 15.04.2025 - Subject to technical changes and errors.
